PlanetFall

Legend

- You are here
- Open passage, leaving each room from the side you type. Tags mark up, down, in, out.
- One-way: you can go this way but not back.
- Door that opens freely (or with a button)
- Locked: needs an item or a puzzle solved (blue line)
- Opens or closes with story events (purple line)
- Ride: elevator, shuttle, teleport, miniaturization
- Up and down exits leave and enter at a slant
- Not an exit for you: a refusal, or a loop back to the same room

KALAMONTEE COMPLEX

N, E, W: lost in the dark

Transportation Supply (dark)

Large Office — Small Office — Admin Corridor North — Plan Room

rift: lay the ladder across

Systems Monitors — Admin Corridor

Admin Corridor South — SanFac E

Booth 1 (teleport (card)) — SanFac B — SanFac D

Conference Room (combination dial) — Dorm B — Storage West (padlock: key from the crevice) — Dorm D

Rec Area — Rec Corridor — Mess Corridor — Dorm Corridor

a long, featureless hallway (160 moves of walking time)

Corridor Junction

Upper Elevator (blue door) (upper elevator card)

Elevator Lobby — Booth 2 (teleport (card))

lower elevator card

Lower Elevator (red door)

Plain Hall — Dorm A — Mess Hall (kitchen access card) — Dorm C

SanFac A — Kitchen — SanFac C

Mech Corridor North — Storage East

Physical Plant

Mech Corridor — Reactor Control (button opens it) — Reactor Elevator

Reactor Control: down / up

Mech Corridor South — Reactor Access Stairs (down: the stairs loop)

Tool Room — Machine Shop — Robot Shop

blue elevator: up / down

red elevator: down / up

TOWER

Helicopter (in / out)

Upper Elevator (at the top) — Helipad — Comm Room

Helipad: down

Tower Core: up

Observation Deck

COAST & CASTLE

West Wing — Courtyard

Courtyard: S/down, up

Winding Stair (down: floods on day 4)

Balcony (down: floods on day 2)

Crag

Underwater (N, S, W, down: you swim in place)

S.P.S. FEINSTEIN

N, E, W: Blather blocks you

Deck Eight — Brig

Gangway

Escape Pod (opens when the ship explodes) — Deck Nine — Reactor Lobby

Blather drags you here

E, S: Blather blocks you

the pod launches and sinks offshore

SHUTTLE LINE

Betty Control West — Shuttle Car Betty (starts east) — Betty Control East

when Betty is here

Waiting Area — Kalamontee Platform — shuttle line: put the shuttle card in a control cabin and ride — Lawanda Platform (E/up)

call the elevator

when Alfie is here

Lower Elevator (at the bottom) — Alfie Control West — Shuttle Car Alfie (starts west) — Alfie Control East

Escalator

W/down — E/up

LAWANDA COMPLEX

robot-sized door: Floyd only

Infirmary — Repair Room (S/up, N/down) — Planetary Defense — Course Control

Systems Corridor West — Systems Corridor — Systems Corridor East — Physical Plant

Fork (W/down) — Library — Library Lobby — Booth 3 (teleport (card))

Radiation Lock West — Radiation Lock East — Radiation Lab

SanFac F — Project Corridor West — Project Corridor — Project Corridor East — Main Lab

ProjCon Office (opens after the computer is fixed) — Computer Room — Lab Storage — Bio Lock West — Bio Lock East — Bio Lab — Lab Office

Cryo-Elevator — Miniaturization Booth — Auxiliary Booth

Cryo-Anteroom

endgame: the elevator descends

INSIDE THE COMPUTER (MINIATURIZED)

Strip Near Relay (the relay (sealed)) — south: blocked while the microbe attacks

Middle of Strip — south: blocked while the microbe attacks

Station 384 — Strip Near Station

type 384 (miniaturization card)

once the computer is fixed, you return here
